

Advance Professional is Proud to Partner with Tennessee Dealer News

Advance Professional has developed dynamic, industry leading solutions to help your business stay current with the latest trends and consistently deliver exceptional customer service. We have the parts, service, and solutions you need to grow your business.

We're the largest automotive aftermarket supplier with the broadest availability of import and domestic parts. You can count on us to provide the quality, professional grade parts you need. We understand that getting you **The Right Part at the Right Time®** is crucial to your business.

Our promise is simple, but strong: Professional quality parts, service and solutions dedicated to your shop. We keep our promise by offering parts and service from our entire network including Carquest Auto Parts, WORLD PAC, and Autopart International.

Products

Our commitment to quality parts is a promise we take seriously. That's why we offer parts that meet or exceed OE specifications and we lead the industry with more than 99% coverage in key categories. And with the broadest import and domestic parts availability in North America, they are always ready when you need them – every part, every day.

Delivery

Your time is money. We know the time you spend waiting on a part is time you could be using to run your business. That's why we've invested in the right resources to bring you the right parts faster than ever before. Our parts coverage is second to none because of our extensive network. With the broad coverage and reliability of Advance Professional and Carquest Auto Parts, the industry leading OE parts coverage of WORLD PAC, and Autopart International's branded products covering hard to find and traditional inventories, we are the ultimate source for auto parts. We have over 48 distribution centers and more than 6,000 stores across the country. Our data and technology systems allow us to customize the mix of products in markets based on the types of vehicles shops service most.

Training Excellence

We are proud to offer training through Carquest Technical Institute and WorldPac Training Institute. These training institutions prepare your shop for the future of the automotive industry with training and certifications. We offer classroom and online courses for your entire team, no matter their current skill level. The curriculum is designed and taught by industry-recognized experts. Content focus areas include ASE test prep, foundation to advanced technical knowledge and skills, OEM model and specific system content and business management.

Business Solutions

When it comes to repair and diagnostic information, you need a tool this is accurate, fast and mobile ready. MotoLogic is a great product with 100% unedited OEM information with no edits or exclusions. It allows you to find the information you need with the easiest search tool in the industry. It also includes access to MOTOR Labor Times and Quick Specs.

MotoVisuals allows you to bring service recommendations to life. Educate your customers on services and repairs with access to more than 400 animations. MotoVisuals allows you to build customer confidence and helps your service advisors communicate better. Animations can be shared in -person, by e-mail or text which is a great feature to boast during COVID.

Rebate

We are excited to offer TDN members rebates. All locations that meet or exceed the minimum quarterly spend will be eligible for a rebate paid on qualified lines. Additional online rebates are available.

"We look forward to continuing to enhance our already strong and productive partnership with TDN, its members and its leadership team. We are eager to help its members through excellent service and programs designed to improve shop performance and profitability," said Lee Austin, Strategic Account Manager, Professional Sales at Advance.
